

U.S. COAST GUARD EIGHTH DISTRICT

MARINE SAFETY INFORMATION BULLETIN FOR THE GULF OF MEXICO OCS

18 April 2016

This Marine Safety Information Bulletin (MSIB) provides Coast Guard points of contact to address routine questions on behalf of the Eighth District Outer Continental Shelf (OCS) Officer in Charge, Marine Inspection (OCMI). Please continue to submit all OCS-related correspondence to the appropriate email inbox:

Emergency Evacuation Plans (EEPs): For review and approval of EEPs required by 33 CFR 146.140 or 33 CFR 146.210, please send requests to emergency-evacuation-plans@uscg.mil

Other Correspondence and General Questions: For all other correspondence (including plan review, fire control plans, NVIC 10-82 and ISIP modifications, and operating manuals) and general questions, please email OCScorrespondence@uscg.mil

EEPs and "Other Correspondence" will then be tracked and forwarded to the appropriate point of contact from the lists below. You may follow-up directly with the point of contact to inquire about the status of a response. Please allow up to 30 days for written replies. General questions concerning specific MODUs and facilities may also be sent directly to these points of contact.

For Scheduling, Marine Casualty Reporting, and Letters of Determination, please continue to use the email addresses and contact numbers identified in my MSIB dated 02 June 2015.
